RE: MAP-350

Dear Provider:

This letter serves as notification of changes, effective July 1, 2021, made to the MAP-350 process. The MAP-350 form no longer requires a signature on admission or thereafter. Attached is the updated version of the MAP-350 form dated, July 2021. Additionally, the MAP-350 form must be presented to the resident and/or their legal representative on admission advising them of Home and Community Based Services options. MAP 350 must still be uploaded into KLOCS as part of the LOC process.

Please monitor the Department for Medicaid Services' Nursing Facilities Services webpage for announcements, updates, and changes at the below link:
